## 2018 PROPERTY REQUIREMENTS

We were founded over twenty years ago by a Danish family who are passionate about the benefits of the sun.

glöden's story began with just one small tanning studio in Wiltshire; but now, we have studios across the South West and South East of England, and South Wales.

The glöden concept is simple – we believe in providing world class tanning facilities and other beauty treatments at an affordable price to our customers at their convenience.
